

Mounting angles 90° galvanised

Field of application

- Solid fixing element for construction of pre-wall installations, shelves as well as for channel constructions for mountings of pipelines and air ducts without welding
- Also applicable for direct mounting on walls, ceilings or floors

Advantages

- Variable fitting possibilities
- Versatile in use, e.g. as:
 - Angular support bracket
 - Angular load-bearing bracket
 - Connection element
 - Angular bracket
- Multi-purpose component for professional, practical installation solutions

MPC-Mounting angle 90°

Mounting angle 90°,
type 3, light
